MOZAMBIQUE OUTREACH NEWS

NOVEMBER 2001

## AFRICA

Volume 3 Issue 9

I am continually reminded of what the Lord has specifically called us as a ministry to do in Mozambique - to take **the role of a Watchman**. That

means, in part, that we have a **responsibility to pray** Mozambique back to a position of transformed Godly health.

**I hope you can join with me** as He leads us into our **3<sup>rd</sup> year in Africa**.

Oh Lord we need your hand upon us. Anoint us and give us your wisdom, your strength and provision to complete the work you have called us to.

### ***New Offices***

Yes, **our Australian office is up and running** thanks to the generosity of many special people.

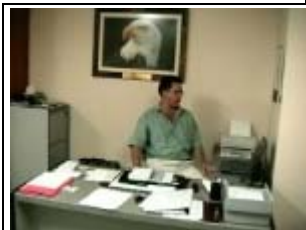

We are very grateful to the Lord for the gift of **near new office furniture** donated prayerfully by Janny and Julie.

Also a very special thank you to Chris, Dani and Dirk for the brilliant, **air-conditioned office space in their building in Brisbane**.

Please note all our phone numbers have changed. Details last page.

### ***Missions Training Centre***

Our **Missions Training Centre** will commence in January 2001.

**New Aus Office**

We will be training those who are interested in **long or short term missionary work**. This course will be run by Elsabe de Wet.

If you would like more information about the courses available, please contact us by mail or phone or email Elsabe at [elsabe@mozoutreach.com](mailto:elsabe@mozoutreach.com)

### ***Short Term Missionaries***

**Tony Kirwin** and **Ken Ross** (both from Melbourne), left for Mozambique on 1 October.

Tony is **establishing orphan accommodation** while he is there - purchasing blocks of land in the Beira district and Ken is teaching in **Bible College** and ministering to our people in their churches.

Here is a report back from Ken Ross from Beira:

### ***Open Heaven over Prison***

*"Greg, we went to Savannah Rd Prison once and Beira Prison three times, I would like to share something of that with you.*

*In Australia the Lord spoke to me concerning this trip many times, but in particular "Blessed be His Glory from His Place". Lord, where in Beira is Your Place?...**the floor of that central Prison.**"*

**Jay outside Central Prison**

*It is now my*

experience and also my conviction that **you have an unprecedented opportunity of ministry in the prison.**

*This is what happened there:*

*On the second visit we experienced an open Heaven. His Glory impacted ALL of us. Those men and women are hungry for all you can give them. They have asked for midweek meetings if possible in addition to Saturdays.*

*The first week about 40 responded to the Salvation call and Arone believes 25-30 of those would be first time decisions.*

*In the second week about 40 again, though I personally believe more were deeply touched, with a third to a half in tears, yes in repentance BUT also wanting to stay in His Presence.*

*Their hands stretched right up and they worshipped Jesus with everything in them.*

*Then there was a time of perhaps 3-4 minutes when all we could hear was weeping, tears and soft worship and yet only minutes before the whole jail would have heard us I full song.*

*For me it was the most significant ministry experience in my whole life. Praise Jesus. I have heard about an Open*

*Heaven and desired to experience such an event: now I have.*

**“In all the years I have been in churches in Australia , I have never seen or heard what I have both seen with my eyes and heard with my ears and heart as I now have in Beira.**

**Nothing comes near to this”**

*On the third visit I taught on Baptism in the Spirit. To cut a long story short, the Lord baptised somewhere over 70 men and women. This also came out of worship.*

*They sang the new song , I didn't have to go*

*through all the teaching on what to do and say. No. This just flowed from them. For minutes the new tongue came but then they all started to sing in the Spirit, a new song.*

*In all the years I have been in churches in Australia , I have never seen or heard what I have both seen with my eyes and heard with my ears and heart as I now have in Beira.*

*Those many years have been in full on charismatic and Pentecostal Churches and nothing comes near to this.*

*So my brother expect to move into His Glory.”* Ken Ross

## **Project Education**

**Pre -school children with their new uniforms**

We have begun our new education project and will begin construction on our **new classrooms** for pre-school and grades 1-3 in November.

Many people saw and were touched by the video of us **distributing**

**uniforms to our pre-school children.**

One sister has offered to give **us 150 brand new uniforms and caps** for the new school, and other people have given towards the **construction of the building.**

A young man had a great idea. He is raising awareness and funds using our \$1 a day coupon book to show the people in the street where he lives. As they become involved as a community, they can sponsor an entire class for one year (it only takes 15 people - at \$1 a day).

**Thank you to all who have supported this project.**

**Without our school** in these village areas, **most village children will grow up illiterate** because their parents can not afford the existing education.

We aim to see a **long term transformation** in this area.

### ***Micro Enterprise Development***

This month in addition to education, we have commenced our micro enterprise development plan.

As a ministry we feel **that it is necessary to break the cycle of dependency**, caused by continually giving aid. Therefore with wisdom we must give effectively to micro enterprise development to **break and eliminate the poverty cycle.**

From each micro enterprise started, 15 people will be permanently delivered from poverty.

On my trip in November, we plan to start 3 new businesses in Beira.

**One fishing net business gets 15 people out of poverty**

Again for **\$1 a day** people can sponsor 3 new micro - businesses and **bring 45 people out of poverty in a one year period.** Praise the Lord.

If you would like a coupon book, please email or write to us.

### ***Associated Ministry The Pied Piper of Beira -Tony Kirwin***

**Tony and Jenny Kirwin** and their family spent a year in Thailand helping with **orphaned and abused children.** They often had to buy these children to keep them from being purchased by people who wanted to exploit and abuse them.

Now Tony's attention has turned to Mozambique.

He is in Mozambique right now, at our compound **preparing accommodation for orphans.**

He has employed Basto and Maria from our church and they are **currently gathering names and photos** of orphaned or abandoned children.

**Thanks for your prayers** for the Kirwins as they minister to these **beautiful Mozambican children** who have very little.

**"I will have photos of about 200 kids by the time I leave"**  
**Tony Kirwin**

### **ONE PERSON CAN MAKE A DIFFERENCE**

***Matthew 9:37,38 "Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."***

**Maybe you wonder** whether you can really make a difference in this world.

If the God of heaven loves and wants you in His presence every moment, and if He knows that heaven is a much better place for you, then **why has He left you here?...**

Because **God wants you to be moving out of your boundary lines**, taking new territory for Him and reaching people for His name.

Esther was one woman who finally realised that to be the Queen of Persia was not the highest call in her life. But **she submitted herself to the Lord and used her position to save a whole nation.**

That became her highest call.

## **What about you?**

Can you believe that **God is big enough to move through you?**
