MOZAMBIQUE OUTREACH NEWS

JULY 2002

AFRICA

Volume 4 Issue 7

Hi again, Thank you for your comments and support from last news. We had more than normal response from the 2 main articles on "Golden Girl

From the Gold Coast" and "MozBIZ booms ahead".

Sandra is in Australia

Sandra not sure about the food she has to get accustomed to eating - whole fish (including head and eyes).

Missionary grace – "Lord I will eat anything that is put in front of me – you keep it down"

Sandra Goldsworthy is currently in Australia, preparing to return to Mozambique at the end of July for a **further year there.**

She is currently **speaking at different churches and meetings** in Australia, as well as home groups, business meetings, youth, school, mission and church services.

As a ministry, we would like to raise **\$100 per week for her for 12 months**, to help support her in Mozambique. If you would like to help at the rate of **\$5 per week** for all or part of the 12 months, please fill out the accompanying form or contact us.

Pastor Mario Is Coming To Australia

Pastor Mario (taller man) and Pastor Gimo (front) at the Moz Outreach pastors conference in June 2002

Pastor Mario Casquinha of Christian Life Church in Beira is **coming to Australia in July**. MozOutreach has been able to sponsor his trip thanks to the generosity

of a family in Sydney, so that he can attend the annual Hillsong conference.

I was drawn to Pastors Mario and Zaida and their ministry when I met them 2 years ago. Their church ministry **focuses on worship and the word of God**. As a result, the **church is growing rapidly**, making it a very powerful church in Beira.

Mario and Zaida are **on the board of Mozambique Outreach** - Mozambique We value them as **a strong associate ministry** and support their work there.

Mario has a **love for Hillsong worship music** and **his dream has been to attend a conference** of theirs.

Mario will also be **in Brisbane and Gold Coast from 13 – 18 July**.

If your **church or business group** would like him to **speak on his work** in Mozambique, please let us know as soon as possible to book him in. He is a powerful speaker.

Welcome to Australia Mario

Gary Waters

Gary Waters heads up **Nations Of Integrity** and **MozBIZ** and is heading to Mozambique this month.

Travelling with his eldest son Shanon, Gary will be **visiting contacts at**

World Mission Centre in Pretoria to discuss micro enterprise development in **other southern African countries**.

In Mozambique, Gary will be **speaking to government officials** about *leadership training, military Peace Corps training courses and running a seminar* in Maputo for pastors and government leaders.

He will be spending time at our land in Boane to **oversee construction of our first water bore**.

God willing, we will have it completed at that point. Gary hopes to **celebrate with the people over the first of 3 bores** aimed at supplying **2500 widows and children** who live in that area **with clean water**. Thank you Lord.

Children "in school" at Boane village – we want a bore down near this school so the children have water

(We still require the finance for 2 of these bores and **we are asking for names for them as well**. As the patriarchs of the Bible named their wells, we would like to give them significant names. **Have you got a suggestion?** Tom, Dick and Harry has already been thought of)

In conjunction with the celebration of the new bores, Gary will also **conduct our inaugural church service in Boane**. We are planning to erect a bamboo church in the centre of the village as was previously discussed with chief Samuel Umpala.

It is possible that the **whole village will turn out to this service**, just like the account with Jesus and the woman at the well in Samaria – so we appreciate your prayers, **as Gary will speak on “The True Living Water”**, and will give a call for people to come to God through the Lord Jesus.

Finally, Gary will also be flying to Beira to **meet with government officials** there and **oversee the amazing MozBIZ ministry** happening there under Francis N’Sona.

To date there are **43 businesses** up and running successfully. Thanks Francis, thanks Gary and thanks Lord.

Francis N’Sona teaching the MozBIZ business people in Manga village, on successful

business principles. There are so many people now, that MozBIZ has had to multiply into two large training groups held on different days and different locations.

Introducing Justinio and Palestina

To head up our new church in Boane are leaders Justinio and Palestina. This special couple have run their own church before and are currently in training in Beira to run the church ministry down south.

Palestina was ill for 6 years after the birth of their last child. For those years **she lay on a mat outside their house** praying for the Lord to heal her.

Justinio and Palestina

On our last trip to Mozambique, Keith Robinson went to visit them at their home and found Palestina very ill. So he hugged her and prayed for her, thanking God for her healing.

The next day, Palestina turned up at a wedding and **ate more food than she had eaten in years.** Her husband said that it was a miracle. After that **she was like a new woman.**

She attended all 3 days of the pastors’ conference, **a feat that she could never have done previously.**

She also is a pray-er.

“Every night she wakes at 12.00 am and prays until 4am” Justinio reports. “She tries to get me up to pray as well”

September Short Term Trip

We are now taking applications for our September Short Term Trip to Mozambique. There are only six places. If you would like to be trained and go on a two-week trip to Mozambique – now is your chance.

Write, phone or email if you want more information or wish to apply and we will send you all the details.

A Letter Of Thanks

We received this anonymous letter from someone in Mozambique this month. Sometimes, a letter like this makes it all worthwhile:

“I would like to thank you for bringing the Gospel to Mozambique, especially to my area, Manga Contubo where many youth are remaining firm to the Word of God that releases curses in the society. I hope as the gospel reaches many places that their area will be released spiritually and physically.”

**Until next month, God Bless you
Thanks for your prayer and support. We cannot work without you.
