MOZAMBIQUE OUTREACH NEWS

MARCH 2002

## AFRICA

Volume 4 Issue 3

Hi. February was outstanding. It was a big month with our Australian seminar held on the 16<sup>th</sup> and training for our short term team held on the same weekend. Again we thank the Lord for His ability to bring people together to fulfil His will. This month's news shows another side of our ministry - the team outside Mozambique - that is working to see the vision come to pass inside Mozambique. I honour them for their commitment to the Lord.

### Seminar

Our 3<sup>rd</sup> seminar in Brisbane was brilliant. 48 people attended the first class presentation and heard the testimonies and updates on the different facets of the work in Mozambique.

Preparing for the March trip, Elsabe de Wet spoke passionately as always on the Lord's heart for missions and our responsibility to be involved

**Elsabe de Wet** spoke on **missions** and also showed a video with speaker Willie Crew who spoke of how committed the early disciples were to the Lord, even to their death. It was very challenging.

**Dale Allen** spoke on the necessity for focused prayer. She has developed a 6

month prayer strategy in accordance with our vision.

We announced our up coming prayer journey in September which involves a 2 week Watchman conference in Israel followed by a week's prayer in Mozambique - by chartered plane - praying on site.

We also presented appreciation gifts to some of our faithful long term intercessors at the seminar.

**Gary Waters** updated us on **MozBIZ**

group of business loans last week. Francis commented ***“MozBIZ has just started and the results are already seen in people's lives. Our business training is where the secret of MozBIZ lies. You won't believe that over 300 people have approached me for business loans since we started 3 months ago. Out of those we have delivered 7 loans according to their business plans and the availability of our funds as the Lord provides. Your prayer is most important for the MozBIZ challenge.”***

**Francis training new business people**

Francis trains the new business people every fortnight.

●  
**Andrew Cox** brought an update on the exciting business side of the ministry. In the last few months we have been approached by many different business people who have asked how they can be involved in the work in Mozambique in terms of finance.

Andrew shared an inspired thought on how he felt small groups could directly support

churches in Mozambique and so form a relationship and link to the brothers and sisters there. He is following up that thought in his church.

●  
**Sandra Goldsworthy** has resigned from her full time job and has been on the road, talking with business people and schools about our various projects. She introduced our March **short term team** who attended the seminar as part of their 2 day training for the trip. Our directors prayed for them and they gave testimonies as to why they chose Mozambique for a short term mission.

They leave on 17 March. Their itinerary is available on request.

•

**Luke Cox** gave an entertaining report on his trip to Mozambique in November. He challenged other people to go and be involve in what the Lord is doing in Moz.

He is preparing a November short term youth team from his church Hillsong.

### Aus/Moz Pre-school Link Up

We held a special presentation at Bonny Babes Child-care centre on the Gold Coast, where we showed video footage of our pre-school and school in Beira.

As a result, they have asked to be connected to the pre-school in Manga and to help build a proper building as well as sponsor some of the children. One of their staff members wants to join the September short term trip to help with the pre-school there.

Thanks Bonny and team. You will see such a difference because of your support.

### Pre-School Support

We are providing profiles for our pre-school children for those that wish to sponsor them in their education. If you would like a coupon book please let us know.

The profiles look like this:

#### 4. Aniva

My name's Aniva. I am five years and I am a pre-school girl at "M.O.M". I live in the Manga area and my parents told me that's where I was born. I joined pre-school last year. Since then I am no longer shy as before. My teachers are very happy to teach me. I enjoy being with my friends at pre-school. When I go to school I want to be one of the best students in the class. My favourite food is rice & beans. I sometimes play football with my neighbours.

#### Our Brilliant Team

Besides the strong leaders that we are blessed with in Mozambique, I want to once again make mention of our strong director/leadership team in Australia.

These men and women are from various different churches in Australia and are either in ministry or business.

They are highly committed people, both to the Lord and to the vision of this ministry in Mozambique - to prepare it for the Lord's return.

More information about them personally is available on the internet on
