## GOSPEL PREACHED

### PRAYER PLEASE

This month, I am travelling with business friends Neale and Christine Gear to Mozambique. The main purpose of the visit is to run our **"Power Of The Gospel"** conference. Nearly every day for the first two weeks in June, we will be **preaching the good news** of Jesus **in villages and towns** around our Manga base and meeting with local pastors.

We have pastors travelling for more than a **thousand** kilometres to join local pastors, leaders and business people at the Gospel conference in Beira on 9-11 June. Neale and Christine will be addressing business people.

We are expecting many to come to know the Lord on this trip. We are also expecting **miracles** and an increased fervency amongst the pastors and leaders to preach the gospel. Thanks for your prayers.

## Rural Project For Ramiro?

**Ramiro** has completed his PEPE (preschool) training course and will graduate later in the year.

In contrast with the western world, the majority of the Mozambican population live in rural areas.

The plan is to have Ramiro help **develop our rural education project**.

This will involve setting up basic **literacy and numeracy** educational classes in rural areas.

### Provincial Prayer Coordinators (PC)

As you are aware, Laura en Harrie is the PC for Sofala Province. Now she is joined with the addition of two more PCs. They are **Coral Fitzgerald**, who will oversee the province of Maputu, and Ps Daphne Hay (Harvest City Church) who has offered her services for the Province of Niassa. What an amazing God we serve.

I encourage you all to be prayerfully concerned for each of these coordinators and forward whatever information you have on all three provinces to each.

### Praying the Word of God – Dale Allen

Join together using the Word of God, to build in the spiritual realm around the work of Moz O in Africa. **Let us revisit Psalm 16** praying over the nation and MozO's mission's work:

☐ **Intercede** for Christians working in the nations, praying **Psalm 16:1-3**, asking God to 'preserve them' and **declaring** God's goodness and Lordship over their work and lives.

☐ **Prophecy Verses 2-8**, that the spiritual enemies of our missions work will have their 'sorrows multiplied' and our missions workers and pray-ers will not follow these false gods but follow the true Master and use His name and Word only.

☐ **Declare the nations as the Lord God's inheritance to His people** and that it is a good inheritance (Verses 5-8).

☐ **Declare** that our missionaries working in Mozambique are there in the authority given by God, that Mozambique is the inheritance and a good inheritance of the Christian workers.

☐ **Declare that the Lord gives counsel, instruction and our missionaries and that the Mozambique Outreach organisation will maintain the ground it has taken naturally and spiritually; declare that the Lord is at the right hand of Mozambique Outreach** (Verses 7-8).

☐ **Proclaim** the victory of Jesus Christ and His coming again to Mozambique and the nations (Verses 9-11).

### Prayer – This Thing We Do

How many of us have had some well meaning soul exclaim 'give thanks in all things', knowing full well that you are in the depths of despair. But even more challenging is the thought of actually thanking God for the pickle you're in. Generally we all understand "give thanks in all things, for this is the will of God in Christ Jesus for you".

Can I encourage you to consider actively thanking God for every trial that interrupts your path. 1Thess:5:16-19. And it comes with an admonishment that if we are not giving thanks, then we quench, stop, limit, hinder the working of the Holy Spirit on our behalf through our ordeal.

Surely this act OR sacrifice of Praise is an embodiment of our surrender to His love and purpose, expressing our absolute surrender to His will for our lives. How much do I trust, believe in His unwavering love for my life.

May the Lord bless you and keep you and continue to equip you for His service

## Education Update by Anne McIntosh

### Teachers studying New Christian Classes with Ramiro

#### New Christian's Course

Most of our teachers have successfully completed the New Christian's Course and were **presented with certificates** at our most recent training day.

This is a wonderful achievement for them.

It has been great seeing the **teachers learn more about God** and very encouraging hearing about their

enthusiasm to study the bible in our study classes held on Saturday.

Many of them go to their other schools first for planning meetings, then come to our school for bible study, so **it is a significant commitment.**

I pray that they will **continue to grow in their relationship with God**, and their knowledge of the bible.

#### Commissioned and Sent In The Holy Spirit

On May 6, Peter and Debbie Wilcox and their family, were commissioned for their trip to Mozambique by the board members of Moz Outreach and various Christian leaders. It was a special event.

Pastors Brian and Daphne Hay and Dale Allen prophesied over the family.

# Long Service Leave With a Difference

David and Lyn Bewley from Emmanuel College on the Gold Coast, Australia, recently experienced long service leave with a difference when they spent 10 days of their holiday helping us in Mozambique.

During this time, David shared some of his extensive teaching experience with the teachers at our training day and Lyn taught the ladies from Manga.

Anne McIntosh said, "There are no words to describe what really happens in the life of the children we are training, so it is good for David and Lyn to be here in person and experience life here for themselves."

Thanks David and Lyn.
