PERSON OF THE YEAR 2006

EMMA JONES

Based on outstanding achievement and commitment to the Lord Jesus and to our ministry values, Field director Emma Jones takes out the MozOutreach Person of the Year award.

As usual, in a ministry with so many outstanding men and women of God, there were several contenders for this excellent award, but Emma's perseverance and accomplishment and attitude in the face of it all, made her our final choice.

It was a BIG year.
Congratulations Emma.

Transforming a nation,
one life at a time

sickness pervades as malaria and various diseases set in for the next three months.

So as we give an dare given to I pray we will all invest our love and time in prayer for those who might not last this Christmas and in Mozambique. You and I know that God is a God of miracles, the greatest being salvation. Only He can deliver this nation from poverty and its fallout. Lets stand together once again and seek this Lord for Mozambique.

1 Cor. 3:6-8. Prayer is part of the process for the Gospel and then God will give the increase.

Note from Cheema: This time of year in western countries represents a celebration of family, well wishes and rest. In Mozambique it is a time of opportunity. This time of year crime increases in the city and as the rainy season begins to wash away the parched soil that has been scorched by the sun,

Emma Jones - "It was a BIG year"

Ask Emma what sort of year 2006 was and she will just give one of those 'Emma laughs' and say - "It was a big year".

A little water never stops the work. The road to church

overseeing construction of two new buildings (still in progress) and moving to a new city to start a new MozOutreach base - all in a years work for Emma.

Eating on the job - Children's day Emma oversaw the school and nearly 600 children

And through it all she still loves the Lord, the people and her leaders who keep giving her things to do - well at least the Lord and the people.

Thank you Emma.

EMMA MOVES TO MAPUTO

Emma has moved and settled in to her new home in Sommerschild, in the capital city of Maputo. It is a 3 bedroom apartment on a beautiful tree-lined street.

Emma's new home in Maputo

She is currently in Australia for a break before she travels back there in early January with Dale Allen. Together they will be praying for the Lord for guidance and opportunities.

The work from Maputo base will cover the southern provinces of Maputo, Gaza and Inhambane and involve the areas of spiritual discipleship and

development (eg education, micro enterprise and farming). We would like to encourage you to be a part of the work in Maputo - through prayer, finance, moral support or hands-on help. If you would like to know more, then please let us know.

We are thankful to the Lord for the opportunity to serve Him in southern Mozambique.
