Transforming a nation,

PRAYER KEY TO REVIVAL

In Mozambique, as in many African countries, there is a deep culture of witchcraft.

To see a cultural change towards the Lord, we need to pray and activate people to pray.

The prayer of a righteous man is powerful and effective. James 5:16

A part of Cheema's role in Mozambique is to facilitate this urgent need of prayer.

"This month we saw the Lord move as people engaged in all night prayer meetings.

CHEEMA DAVIS - PRAYER IS HELPING CHANGE A NATION

The churches united across the city and there is regular training happening in every area of prayer and Christian studies.

We have been organising teams of children, teenagers, mothers, men and elderly praying for their peers, for their city and nation. Teams that will flow over into the hospitals and prisons, schools and streets.

For example we started a monthly parent teacher prayer meetings and the room was filled with prayerful people all praying for the children and the school. From this I will be starting local home visitations that are aimed at the unsaved to share the gospel and pray, hopefully the prayer of salvation with signs

and wonders following.

I was feeling very pumped after an amazing Global day of prayer that saw about 500 people stand in one accord to repent and pray for Mozambique.

And our 'Pillar of Fire' prayer conference was a blessing with between 80 - 100 people attending the three day conference to pray and learn about prayer."

Thanks to all who pray for us at MozOutreach and for the Lord's work in Mozambique. Surely Jesus is the answer to the greatest human need - salvation.

Please pray with us this month- see MozPRAY pg 2

Transforming a nation,
one life at a time

People are desperate for the deeper things of God. There remains faithfulness to the little that they have.

So our prayer is to see the Lord enlarge the vision, the expectation and deepen the wells that they may drink and feast on the Lord which will be testimony to the lost and searching hearts that God is calling into the fold.

Note from Cheema: The past two months have seen a supernatural united front on behalf of all the provinces in Mozambique.

This month we are praying for the very heart of the Mozambican. John 17:9;20

We also lift up in prayer every area of the ministry of Mozambique Outreach that we may serve the Lord better every day and those people to which He has sent us.

JULY PRAYER CALENDAR

|-----------|---|---|--|
| 1 | Pray 1 Peter 2:9 "But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should show forth the praises of him who hath called you out of darkness into his marvellous light" Pray that the believers in Mozambique will come to see themselves as chosen and royalty before God. That God will reveal His love toward them in a greater way and that they will begin to find their identity in Him. AMEN. | 16 | Pray that the ministers of the gospel invest their time in the word of God and in prayer for the people that they may receive the inspiration and leading of the Holy Spirit. Ex 19:6-8 "And ye shall be unto me a kingdom of priests, and a holy nation. These are the words, which thou shalt speak unto the children of Israel. And Moses came and called for the elders of the people, and laid before their faces all these words which the LORD commanded him. And all the people answered together, and said, All that the LORD hath spoken we will do." |

| 4 | | God's unbreakable Word proclaims Luke 4:18 "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, and to set at liberty them that are bruised." | |
| 5 | Pray that as the love of God is shed abroad into the hearts of His children in Mozambique that He will heal the broken hearted their bruises and allow them to walk in the liberty attained by the work of the cross. | 20 | Pray that the Lord provide where He guides. Deu 28:2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God. |

| 8 | Pray for them that they will begin to really expect God. That they will not just send word's forth out into the air hoping God may be just happy we spoke to Him, but that the prayers will be equipped with the faith that changes the atmosphere in the supernatural and pleases the heart of God. AMEN. | 23 | Pray that many doors swing wide open for the truth to go out. For greater revelation to flow into even the most remote areas, bringing correction, faith and the solid bible teachings. | 12 | | 27 | |
| 13 | | As Emma begins to prepare for the very strategic move to Maputo, there are many challenges ahead, including distance, finances and the need to pioneer a completely new base. Pray Joshua 1:7 "Be strong and very courageous, that you may observe to do according to all the law, ...that you mayest prosper where ever you go." | |

CHIEF LOVES THE SCHOOL

Modi, Ramiro and myself headed back to the village of Nhabirira in Lamego district to continue establishing the first school.

Ramiro trained the teachers on the literacy and classroom management topics and I trained the teachers in the Chronological Bible material and teaching the children prayer.

The village Chief (pictured) organised a village meeting. It was decided that the school shall be called Nhabirira Primary school.

Training

The four teachers from both Mongomo and Nhabirira arrived in Manga and started training. Two attended Ramero's PEP class and two attended Victoria's class to observe a classroom environment and teaching techniques.

On the Monday afternoon Ramero took them through the adult literacy material. The next day the teachers did some practical interaction with the class as Ramero observed.

That afternoon Principal Antonio taught all the teachers in his own classroom and then tutored them whilst his class were set tasks.

All teachers sat in at the other teacher's classes at various stages to appreciate different teaching and classroom

management strategies.

On Wednesday morning they left with the new blackboards, dusters, chalk, letters to the Chief of Lamego and brand new Bible's as well as treats for children's day to start teaching at the new schools.

School Starts

We went to Mongomo for one day and night and found that the teachers had already begun the Adult Literacy program with the small sample material given and the children's Bible materials, having already 25 adults studying and the numbers were increasing by the day.

I met the Chief of all of Lamego and he was very happy with the program and said he wanted to come and potentially learn with us.

THE FRAGILITY OF LIFE

I took 7 ministry workers today to the hospital to visit Mabogue, one of our guards. He has AIDS and is in a tragic state. He is on a cold metal bed and has constant diarrhoea.

Life here is full on. Praise the Lord for His protection over us as a missionary team as we come across cholera, Aids, TB, leprosy, infections, bacterial diseases, people with terrible skin diseases and pussy wounds and other conditions and diseases.

We had some ladies from Manga church plus my guards and we ended up praying for all four patients in the room today. The ladies

were bold as they talked to the people. You could see they had a real heart to minister to the people. Laying on of hands wasn't a problem for them.

Afterwards, we went down to the children's ward to visit a mother from the church whose baby is very ill.

Well, we just went ahead a started praying for the

little baby. He was very precious, extremely thin and was on oxygen and every breath was an effort for him, poor little thing.
Emma

Unfortunately Mabogue passed away last month leaving 6 wives and many children
