Transforming a nation,
one life at a time

SANDRA'S BACK

Sandra Goldsworthy was commissioned by the leadership of Mozambique Outreach and other key leaders last month - as she prepares to head back to Mozambique to **serve there for the next 2 years.**

Sandra has **faithfully served** with Mozambique Outreach **for more than 5 years** both on and off the field and previously spent 9 months as the Field Director in 2002.

This time, Sandra will be taking on the role of Central Provincial Director - and will oversee the work Mozambique Outreach is doing in the central Mozambican

provinces of Sofala, Manica and Tete.

"The Lord is clear with His commandment to us as His followers - 'Go into the world.' He also says 'the harvest is ripe and the labourers few.'

I am excited to be a part of God's plan and to see what he has in store for myself and Mozambique.

*I am ready for the adventure and to take this exciting journey following my Lord." **Sandra***

that He can lie. His word makes many promises. Join with us and agree with fervent effectual prayers that will connect with mountain moving faith. This can manifestly change the atmosphere in the spirit realm over Mozambique for the Glory and Lordship of Jesus in this nation.

"For I am ready to perform My word." Jer 1: 12.

We thankyou all sincerely for your prayerful support. Continue to pray for the building team as they arrive and serve the Lord in September. We speak open heavens of blessing in every area over their trip and the wonderful impact that they will make on the village of Manga. Cheema Davis.

Note from Cheema:

The Word tenderly whispers the promises of God to our hearts. This month we want to stand and declare some of those precious promises over Mozambique with a mighty shout of faith. Over every believer and church we will profess victory and watch defeat flee. God is not a man

CONSTRUCTION UNDERWAY FOR NEW CLASSROOMS IN MANGA

Construction has begun in earnest for the **new three classroom block** and a **new undercover area** at the MozOutreach Primary school in Manga.

Foreman Emma has overcome a city-wide **lack of cement and gravel** to have the footings down **on-time** for the arrival next month of the construction team from the Harvest City Church on the Gold Coast.

The team was also given some block laying tips in the MozOutreach office car park by COC pastor Shane Cunningham who is a qualified bricklaying instructor.

Steel boxing for the classroom footings being built by the Mozambican team.

John Spence, and son Michael - also from the Gold Coast will be overseeing the building work.

The undercover area is being built by Hughes engineering who have donated their very valuable time, to instruct and build the larger steel framed building.

A very special thanks to Chris Grotis who has been so generous in allowing us to have the trained men and machinery for this very important project.

CHIEF FINDS THE SAVIOUR

On Sunday the local chief and his wife went to Manga church. During the service they asked if they could give their lives to the Lord.

After they did this, they announced that they would be making Manga MozOutreach their own church. It was apparently a genuine decision from both of them.

Praise God. He is moving in a mighty way. The field is ripe for harvest.

HUNGRY TO PRAY

I went to teach on prayer at a Prayer Conference in Mafambisse and had an amazing day of prayer and worship and the people were so incredibly hungry to hear, they were on the edge of their seats and jumped at every opportunity to pray and worship.

I was totally encouraged to see so many hungering to come into their prayer closets and knowing that it is the position of power.

Due to this conference I was able to connect in a very positive way with Prayer leaders who now, after hearing me speak are trying to connect with us further seeing that we are serious about prayer.

SEEDS OF HOPE

by Emma Jones

Let me give you a bit more of an insight into life here in Moz ... Unlike Australia, a simple over the counter **bank withdrawal**, here in Mozambique, can involve **5 hours of waiting** at the bank and then there is still no guarantee that you will receive any money!

A man can work all day to receive a **day's wage** of 45MTn which is the equivalent to just **less than \$2.50**

People in the village often have to **walk a kilometre to get water** and they may have to wait for hours till it's their turn to fill their containers. Praise the Lord He is Lord over every situation and every circumstance in my life here in Mozambique and He will be glorified.

Despite the many frustrations of life, I have learnt to **appreciate basic things in life** like turning on a tap to get water and I have seen the transforming power of God in many people's lives.

If you look at the photo, you will see the faces of many children. **Gorgeous, aren't they??** Precious creations

of the Most High God. But we may never know the current realities of life for these children.

Sadly, many of them have already experienced the death of someone they love and who loved them and they have come to expect that **life in Mozambique is often more about survival rather than living.**

But I have wonderful news for you. Each **day, these children hear that God loves them.** They gather with friends to pray, to sing, to hear the message of the Gospel.

They are being **taught how to read and write** and they are **learning life skills** that will help open up opportunities in their future.

Seeds of hope have been planted in their lives and will continue to be watered and grow.
